Why Maryland & Northern Virginia Homeowners Choose Maven

Insured Professionals

Our technicians are insured and background-checked. We carry liability coverage and treat your home with care.

Same-Day Appointments

Same-day appointments available, subject to technician availability. We arrive on schedule and deliver quality workmanship on every visit.

Transparent Pricing

Upfront written estimates before work begins. No hidden fees — you approve every cost before we start.

Emergency Service

Emergency service is available for urgent HVAC, plumbing, and electrical issues. Response times depend on technician availability and your location.

Experienced Technicians

Our technicians bring years of hands-on field experience across HVAC, plumbing, and electrical trades — not call-center dispatch. Every estimate is written by the technician who will do the work.

Professional Workmanship

We stand behind our work. If something isn't right, let us know and we'll make every reasonable effort to correct it.

Built on Skill, Integrity, and Results

Founded by tradespeople with direct field experience in HVAC, plumbing, and electrical work, Maven Home Services is based in Rockville, Maryland, and serves homeowners, property managers, and businesses within a 30-mile service radius across Maryland and Northern Virginia.

Today, Maven serves homeowners, property managers, and businesses across Maryland and Northern Virginia with an experienced team of HVAC, plumbing, and electrical professionals.

How Booking a Service with Maven Works

1. Book Appointment

Schedule online or call us. We will contact you promptly to confirm your appointment and share your technician's name.

2. System Inspection

Your technician arrives on time and performs a thorough diagnostic inspection before any work begins.

3. Repair & Installation

We complete the work using quality parts, following all local codes. All labor and parts are fully warranted.

4. Quality Walkthrough

We review the completed work with you before we leave and answer any questions about ongoing maintenance.

Need Help Soon? Same-Day Appointments Available.

Our dispatch team is ready to help. Same-day appointments are available, subject to technician availability and your location.
